

WAGE SOURCES (November 2009)

Wage information was located for the following organizations and divided into two categories: general wage information and occupation or industry-specific wage information.

Wherever possible, a direct link was provided to the wage results. However, this list does not comprise of all possible wage surveys in Alberta; therefore additional research may be required.

Users are encouraged to use more than one wage source for any decision-making.

Notes:

- Website links may change as a result of changes made by the organization.
- Organizations may have more up-to-date wage information than what is presented in the link below.
- Statistics Canada's Union Wage Rates for Major Construction Trades is for Canada only.

- Some wage results must be ordered and some come with a fee.
- Organizations with an asterisk (*) at the end of their name must be contacted directly for any wage data they may have.
