JFR Fitness Test

Information Sheet

In order to participate in the 2025 JFR season, all leaders and members must pass this fitness test as part of the application process. You must include a completed JFR Fitness Form with your application.

The fitness requirement is a work capacity test designed to measure suitability for moderate work duty, which is defined as: field work that requires complete control of physical faculties and may include considerable walking, standing, and lifting 25-50 pounds. A minimum fitness standard will increase individual and crew safety in this work environment.

Train for the Test

Training for the fitness test is important. Start training at least 4-6 weeks before you are scheduled to take the test. Begin by walking short distances on a regular basis, then gradually increase distance and begin to carry a weighted pack. Continue until you can meet the requirements of the test. You may want to consult a physician before you begin training if you have been inactive, have a history of injury or medical conditions.

Required Paperwork – Pre Test

Prior to taking the test, complete the following paperwork:

1. PAR-Q: The PAR-Q+ Physical Activity Readiness Questionnaire is a double sided four page form and must be completed in its entirety. Please follow all instructions on the form. If a person answers yes to one or more of the questions on the PAR-Q, you must also complete the online PARMed-X survey (www.eparmedx.com), which may include sign off by a physician, prior to taking the fitness test.
2. JFR fitness form: The form is intended to make you aware of the risks of the test and that neither the GoA nor the person testing you is liable for any injury/illness that may occur during the test.

Take the Test

1. Mark out a relatively flat, two mile course in advance. This can be one stretch or laps around a smaller area. Also, choose a pack that can have weights added to make it 25 pounds.
2. The test needs to be monitored by trusted source and any problems should be brought to the attention of the fitness tester.
3. No jogging or running is permitted. DO NOT USE A TREADMILL.
4. You may take the test wearing weather appropriate fitness clothing (runners, shorts, tshirt, etc).
5. The test is pass/fail – there is no advantage to a lower time, the final time just has to be 30 minutes or less.

Required Paperwork – Post Test

Once you pass the test, the tester must signoff at the bottom of the JFR fitness form. Submit this completed form with your application. If you fail the test, you are allowed to take the test again. All required paperwork must be completed again. Your application will not be considered complete without a record of a passed fitness test.

Choosing a Fitness Tester

Choose someone in your community to facilitate the fitness test. This could be a fitness instructor, teacher, coach, etc. that will conduct an unbiased fitness test for you. You can also have a parent time you, in the event you are unable to find someone else. You will be tested again at the beginning of your training course and if you cannot pass the fitness test at that time you will be terminated from the program.

Contact program staff if you have questions: WF.JFR-Alberta@gov.ab.ca or 780-422-9276 or 780-974-2860

JFR Fitness Test

Part B- Fitness Test and ParQ

Participant

The **PAR-Q+ Physical Activity Readiness Questionnaire** is complete according to all instructions and requirements of the form.

TEST: The fitness test is a 3.2 km (2 miles) walk with a 25 pound pack, completed in less than 30 minutes. It is fairly strenuous, but no more so than field duties. This fitness test is intended for those with moderately strenuous duties (requires a max VO₂ of 40, lifting 25 to 50 pounds, and occasional demand for moderately strenuous activity).

RISKS: There is a slight risk of injury (blisters, sore legs, sprained ankle) for those who have not practiced the test. If you have been inactive and have not practiced or trained for the test, you should engage in several weeks of specific training before you take the test. Be certain to warm up and stretch before taking the test, and to cool down after the test. If you are unaccustomed to vigorous exercise, you should contact your physician, by phone or in person, before you take the test.

Informed Consent

As a condition of my participation in the above fitness test, I agree and understand that if I am injured or become ill or disabled as a result of the fitness test, I will not be entitled to damages from the Government of Alberta, government employee or any teacher, school employee, school board, coach, volunteer, contractor, etc. performing this fitness test.

Fitness Tester Expectations

1. You must review this JFR Fitness Form with the participant and ensure the Informed Consent section is completed and signed.
2. Confirm you have a fairly flat, 3.2 km course where you can monitor the applicant (ym, school track, local sidewalks etc. .
3. Ensure the applicant has a back pack or weighted vest which weighs 25 lbs.
4. Complete the physical fitness test. The applicant must complete the test, without running or jogging, in 30 minutes or less. Record the time below. **DO NOT USE A TREADMILL**

NOTE: The applicant will be tested again at the beginning of the JFR training course and if they cannot pass the fitness test at that time they may be terminated from the program.

Fitness Test Result

I agree that I, _____, have conducted a fair test, in accordance with the information above.			
Applicant name			
_____ has achieved at time of _____ minutes, _____ seconds.

When the test is complete, return this from to the applicant to include with their application package. Thank you for your support of the JFR program.			

PAR-Q+

The Physical Activity Readiness Questionnaire for Everyone

The health benefits of regular physical activity are clear; more people should engage in physical activity every day of the week. Participating in physical activity is very safe for MOST people. This questionnaire will tell you whether it is necessary for you to seek further advice from your doctor OR a qualified exercise professional before becoming more physically active.

GENERAL HEALTH QUESTIONS

Please read the 7 questions below carefully and answer each one honestly: check YES or NO.	YES	NO
1) Has your doctor ever said that you have a heart condition <input type="checkbox"/> OR high blood pressure <input type="checkbox"/> ?	<input type="checkbox"/>	<input type="checkbox"/>
2) Do you feel pain in your chest at rest, during your daily activities of living, OR when you do physical activity?	<input type="checkbox"/>	<input type="checkbox"/>
3) Do you lose balance because of dizziness OR have you lost consciousness in the last 12 months? Please answer NO if your dizziness was associated with over-breathing (including during vigorous exercise).	<input type="checkbox"/>	<input type="checkbox"/>
4) Have you ever been diagnosed with another chronic medical condition (other than heart disease or high blood pressure)? PLEASE LIST CONDITION(S) HERE: _____	<input type="checkbox"/>	<input type="checkbox"/>
5) Are you currently taking prescribed medications for a chronic medical condition? PLEASE LIST CONDITION(S) AND MEDICATIONS HERE: _____	<input type="checkbox"/>	<input type="checkbox"/>
6) Do you currently have (or have had within the past 12 months) a bone, joint, or soft tissue (muscle, ligament, or tendon) problem that could be made worse by becoming more physically active? Please answer NO if you had a problem in the past, but it does not limit your current ability to be physically active. PLEASE LIST CONDITION(S) HERE: _____	<input type="checkbox"/>	<input type="checkbox"/>
7) Has your doctor ever said that you should only do medically supervised physical activity?	<input type="checkbox"/>	<input type="checkbox"/>

If you answered NO to all of the questions above, you are cleared for physical activity.

Please sign the PARTICIPANT DECLARATION. You do not need to complete Pages 2 and 3.

- Start becoming much more physically active – start slowly and build up gradually.
- Follow Global Physical Activity Guidelines for your age (<https://www.who.int/publications/i/item/9789240015128>).
- You may take part in a health and fitness appraisal.
- If you are over the age of 45 yr and NOT accustomed to regular vigorous to maximal effort exercise, consult a qualified exercise professional before engaging in this intensity of exercise.
- If you have any further questions, contact a qualified exercise professional.

PARTICIPANT DECLARATION

If you are less than the legal age required for consent or require the assent of a care provider, your parent, guardian or care provider must also sign this form.

I, the undersigned, have read, understood to my full satisfaction and completed this questionnaire. I acknowledge that this physical activity clearance is valid for a maximum of 12 months from the date it is completed and becomes invalid if my condition changes. I also acknowledge that the community/fitness center may retain a copy of this form for its records. In these instances, it will maintain the confidentiality of the same, complying with applicable law.
